Subject: Telematic working group

> Dear Judy

> I was very surprised to hear that I should be the leader of UEMO'S working
> group in telematics.

> It's not my special field where I've worked in, but I'll try my best.

> Could you be so kind to send me the list of participants by e-mail and

> also - if possible - per e-mail the last protocoll of this working group

at

> tuesday evening.

> I'll arrive at Portoroz on Wednesday because I'll have a meeting with the

> Slovenian Medical Association in Ljubljana on this day. I hope to have the

> opportunity to prepare the working group's meeting. I would be very

greatful

> if you - perhaps an Tuesday? - could help me to prepare this meeting. My

> mobile phone: ++43-664-38 20 144.

>)I suggest the AGENDA as following:

>

> 1. Introduction

> 2. Survey on the previous results of the working group

> 3. Aims of the working group in future

> 4. EMN Project (together with working group CME)

> 4. Any other business

> Could you be so kind to send this Agenda to the national delegations?

> Best regards

> Reiner Brettenthaler, Head of the Austrian Delegation
