

# UEMO 2000/111

Thessaloniki, 29/6/00

Dear Claudio,

Following your fax of the 15th of May 2000, I'd like to ensure you that I have no intention of making you feel rather uncomfortable by addressing back to us with what would be a likely unpleasant letter.

Since it is a long story exchanging e-mails and letters between our Association, the Greek Medical Association and the UEMO Treasurer, I'd like to give an end to this situation.

1. It is clear to us that the Greek Medical Association will not fund us, concerning our fees in UEMO; so, within the ELEGEIA we have decided to pay UEMO from our own.
2. Since our communication with UEMO Treasurer was ineffective, I'll be personally in Zurich- although as the President of ELEGEIA I'll have to be back to Greece on October 15<sup>th</sup> for the opening ceremony of our National Conference-  
**carrying with me at the same time our dues in cash of 1999 and 2000.**

Looking forward to meeting you in Zurich.

Best regards,

Dr. Bodosakis-Prodrornos Merkouris  
President of ELEGEIA
