Dear Dr. Cricelli.

I refer to your letter of the 2<sup>1<sup>st</sup></sup> of May 2000 regarding the European Conference "General practice 2000" held in Firenze on 26-27 May.

Thank you for your invitation to take part in the European Conference. Unfortunately, your letter reached us too late to envisage a possible participation.

However, my services remain at your disposal to examine any issue UEMO might wish to discuss under Directive 93/16/EEC with regard to the General Medical Practitioners. Please, do not hesitate to forward to Unit D/4 in DG MARK.T (Mr J.I. Stoodley, Head of Unit, and Mr E.M. Vliebergh, Principal Administrator) any information note that you would consider as useful in this context.

Yours sincerely,

Dr. Claudio Cricelli  
President of UEMO
