# **UEMO 2001/097 FINAL**

Doctors in Finland have already been on strike for 14 weeks. The UEMO (European Union of General Practitioners) supports the demands of Finnish Doctors to obtain better wages and a better working environment.

The UEMO is surprised at the action of the Finnish politicians in this situation, which diminishes the patients' opportunity to access proper health care.

It is necessary to solve this conflict as soon as possible and to allow G.P.'s once more to work for the benefit of patients.
