PROPOSED STATEMENT FROM UEMO **IN REGARD TO DIRECTIVE 93/16/EC**

The UEMO, the Union of European General Practitioners, at its Meeting in Malta 15-16 June 2001, considered the issue of Directive 93/16.

The UEMO wishes to thank the European Parliament and the European Regulators for supporting the proposal to extend the minimum duration of Voc. Training for General Practitioners to three years.

The UEMO position was and is based on providing quality care for patients in the European Union.

In this regard, the UEMO wishes to inform the European Institutions that we have further interest and contributions to make in this area.

The UEMO now seeks a new way of participating in a process with the European Institutions. We have a particular interest in developments affecting qualifications, the content and duration of training and the practice of Medicine.

The UEMO now seeks a formal process of partnership which will assist the European Regulators in our joint objective of improving the quality of care to patients and public health outcome.
