Icelandic UEMO delegation

Financing the deficit of UEMO

It will be a difficult task to compensate 30.000 € out of the UEMO budget. Various proposals have been made. The Icelandic delegation proposes the following points to be considered at the General Assembly in May:

1. We accept to have English as active and passive, other languages hitherto translated to become only passive languages within UEMO.
2. We share the opinion that one social evening is sufficient.
3. We think, UEMO should not pay for the lunches which can be left to the participants.
