## UEMO 2003/119

### Danish Response to the Questionnaire from the UEMO Quality Assurance Working Group

#### *Questionnaire on the needs and barriers in quality assurance*

1. Does regulation in your country help or hinder professional aspirations in quality assurance? There are regulations as well as government councils that helps us and demand from us an increasing effort in quality assurance

.....  
 .....

2. Disease management programs started in some countries.

- Are there any programs in your country?... Yes.....
- Who establishes them?... The national board of quality assurance.....
- Are doctors or NMO involved in the formulation of these programs?... Yes.....
- Are GPs or specialists involved in the formulation of these programs?... Yes.....
- Are they practical?... Yes.....
- Are they evidence based?... Yes.....
- Are they cost effective?..... Hard to tell – i dont know

.....

3. How does funding of your practice affect your provision of quality?.....In no way

.....  
 .....  
 .....

---

#### UEMO – PRESIDENCY

c/o Swedish Medical Association, P.O. Box 5610, Villagatan 5, SE-114 86 Stockholm  
 Tel: +46 8 790 34 52, Fax 46 8 20 57 18, E-mail: info@uemo.org

4. Does funding of the health regulators affect your provision of quality?...No.....  
.....  
.....
3. Does access to education affect your provision of quality?...Yes.....  
.....  
.....
4. What can UEMO do to help you in this regard?.....Hard to tell - the differences between the countries is so confusing. But making guide lines, demanding evidens based and “simple” measuring methods would be helpfull  
.....  
.....  
.....

Thank you very much for your kind cooperation!
