European Union of General Practitioners – UEMO  
Europäische Vereinigung der Allgemeinärzte – UEMO  
Union Européenne des Médecins Omnipraticiens – UEMO  
Unione Europea dei Medici di Medicina Generale – UEMO  
Europese Huisartsen Vereniging - UEMO  
Unión Europea de Médicos Generalistas – UEMO  
Uniao Europeia de Clinicos Gerais – UEMO  
Euroopan Yleislääkärjärjestö – UEMO  
Europeiska Allmänläkarorganisationen – UEMO

UEMO 2003/161

### Hungarian Response to the Medical Informatics Questionnaire

*“The understanding, skills and tools to facilitate the sharing  
and use of information in the best interest of patient care”*

1. In your country does each patient have a unique identifier regarding contact with the health services (unique patient identifier)? Yes
2. In your country can health information systems communicate with each other (i.e. universal handshake protocols)? No
3. Is there a national policy on health informatics? Yes

The strategy of the health information system is under arrangement.

Main goals for 2006, included in the strategy:

- monitoring system for the health and welfare supplying systems
- portal-site with information for inhabitants, health suppliers, decision makers, other organizations
- regional information system for health suppliers
- telemedicine
